Mrs. Swissbellm says "Minnesotn air is the very six of the secure."

In the force out, atd only a portion of their mutilated remains were found.

Charles Dickens is said to look like the Emperor Louis Napoleon.

Mrs. Swissbellm says "Minnesotn air is the very six of the lates Dickens are found.

Charles Dickens is said to look like the Emperor Louis Napoleon.

Mrs. Swissbellm says "Minnesotn air is the very six of the lates Dic Conduct in the most scathing etyle, and the Baton Roage Advocate, taking up the endgels for Stidell, returns the compliment upon Soule, until the public have a view of both in all their naked political deformity. As is usual in such cases, when there is a mounted to eighty-one million five hundred and sighty-five thousand eix hundred and sighty-five thousand eix hundred and sixty weeks suggest and say more than policy would en-

derve, but it is very evident that the starm will parify the atmosphere of Louisians and enable the people to have a clearer view of the inner working of that vast system of hypocrisy which has so completely deluded them. The speech of Mr. Soule at New Otleans is pragmant with facts, and we have to have a clearer view of the inner working of that vast system of hypocrisy which has so completely deluded them. The speech of Mr. Soule at many of his parents was McGoffin, and that was the source of the parents was McGoffin, and that was the source of the parents was McGoffin, and that was the source of the parents was McGoffin, and that was the source of the parents was McGoffin, and that was the source of the parents was McGoffin, and that was the source of the parents was McGoffin, and that was the source of the parents was McGoffin, and that was the source of the parents was McGoffin, and that was the source of the parents was McGoffin, and that was the source of the parents was McGoffin, and that was the source of the parents was McGoffin, and that was the source of the parents was McGoffin, and that was the source of the parents was McGoffin, and that was the source of the parents was McGoffin, and that was the source of the parents was McGoffin, and that was the source of the parents was McGoffin, and that was the source of the parents was McGoffin and that was the source of the parents was McGoffin and that was the source of the parents was McGoffin and that was the source of the parents was McGoffin and that was the source of the parents was McGoffin and that was the source of the parents was McGoffin and that was the source of the parents was McGoffin and that was the source of the parents was McGoffin and that was the source of the parents was McGoffin and that was the source of the parents was McGoffin and that was the source of the parents was McGoffin and that was the source of the parents was McGoffin and that was the source of the parents was McGoffin and that was the source of the parents was McGoff the Irish?

> its new prospectus, the Washington Union is to be changed to the Constitution. This, adds the Journal, is after the fashion of pirates, who hoist the flag of the nation they mean to plunder. Under its former title, the paper has done its best to distract and divide the Union, and under the latter, we cup-pose, it will pervert and assail the Constitution.

rights which the Supreme Court declares to be guar.
antied to them by the Constitution is to be a lireantied to them by the Constitution is to be a lireaster, we are ready at any time to swallow a confishas been transferred from his clerical charge a

Public attention is keenly directed to the pending canvass in Kentucky from other States. Speaking Appointments .- W. C. following the discourteous example of Mr. Leicher in Virginia, in ide his appointments for speaking without consulting his opponent, and the nature

OTHERS.—The subjoined paragraphs will no doubt attract the attention thay are entitled to. We shall watch the progress of affairs with enriosity, though without anxiety. Of course no man, whalever he may pretend to believe or disbelieve, cherishes or can cherish the shadow of a doubt that Mr. Jewett made substantially in his Auderson speech the re marks which Cal. Hodges says he did. Mr. J. can easily quibble, if he is poor-spirited enough, about particular expressions, but he surely will not dar organ before the people of Anderson:

nd weaknesser of his own party, though he is mistaken is his supposition that the two divisions of the Democracy are the only bases upon which new parties can be erected. Both are equally weak and areliable, and it devolves upon the Opponents of Democracy, in all its ramified forms and disguises, to correct the great avils of which Mr. Soulé and his pearance there, the correspondent or the Times thus appearance there.

associates complain, and to bring back to the country those days when bonest lotegrity mat political preferement, and partisen ruffianism was scouted by all good mee. If Soulé & Co. are anxious to leave the foul party, and are ready to recent all their enable him to look out from under his face? Pray, how must the novelist's eyes be situated t

the foul party, and are ready to recant all their haresies, it is very probable that the Opposition of Louisiana can find room for all in their ranks.

The Washington Union undertakes to tain the Opposition party with having more than once changed its cause. The organ has changed its own ally published a paragraph alleged by them to have been put forth by us in the New England Review again. If it ware to take a new name as often as it there were not to be a disgraced the old one, it would use up three bundred s ago, objecting to the admission of Texas | disgraces the old one, it would use up three hundred

into the Union for the reason that slavery would thereby be extended. Wa do not remember to have written the paragraph, but it really seems to smack a little of the style of our beyand, and wa may have been the author of it. We remember distinctly that the subject of the annexation of Texas was broached, though not we believe agitated, at that time.

Now we are told, on the best authority, that Mr. Lagodia, in his late speech at Stanford, read that we show the house asserted the the three thr Magofia, in his late speech at Stanford, read that | We

Magonia, in his late speece at Stanford, weat that paragraph to his hearer, assuring them that we put it forth in the Louisville Journal when the Texas question was under discussion throughout this country in 1844. We can assure him that wa did not, and that no paragraph or line deprecating annexation because it would extend alayary ever appeared in the Journal. We presume, that, whoe he made that the Journal we presume, that, whoe he made that the Journal we presume, that, whoe he made that the Journal we presume, that, whoe he made that the Journal we presume the stanford was a support of the carbon through the country in the carbon through the carb

bis address.

Unquestionably we did, in our youth, regard slaveaway. Ha is the second or third Mayor that has
away. Ha is the second or third Mayor that has ry as being an evil wherever it existed, but we cor-tainly never did, either in childhood, buyheod, or

48 Protessor wm. Wallace Harney, son of the senior editor of the Damocrat, gave a graceful "eshectory" in that paper of yeaterday as associate editor. We cordially welcome him to the editorial frathesity. His genina, his education, and his stainless buop and integrity fit him to be one of its brightest ornangente.

We see that Mr. Guthrie, of our city, is

apoken of in various papers a personal action of our city, is date for the next Presidence. Can you tell us, squatter-covereignty question? unite with us in a letter to bring him out.

ware of the Locofoce editors seem to use the unme of the devil quits too frequently. Wa grant he'll haul them over the coals for it one of these

New Oileans is pregnant with facts, and we beg to call the attention of our readers to some of his ad missions, which we have italicised. He said:

amee of all his ancestors. Mac. thought, however, that the name had a vulgar Irish sound, and so be probably stay there as long as the building lasts.

The I nited States Agricultural Society has comfin. He was ashamed of it as too Irish, and so he undertook to anglicize it. He scorns to have an riculture, which takes the place of the quarterly lrish name, but we suppose he would not chi.c.: periodical in which its transactions were recorded particularly to baving Irish votes. Cught he not. The first number of the journal contains a summar. under all the circumstances, to be an especial pet of account of all the State Agricultural Fairs held i the year 1858, showing that the work will be also secord, in some degree, of the proceedings of State

A Vicksburg paper says that card playing amor teamhout travelers in the West has diminished fully one-half within the past year, and Its place had Lika Champlain is now in navigable order.

and divide the Union, and under the latter, we suppose, it will pervert and assail the Constitution.

The Democral says that we have recently been a fire-scatter, if to contend that the hidders of slaves ought to be projected in the exercise of the The Honorable Mark Trafton, member of the 341

in the Journal. We presume, that, when he made his extensent at Stanford, he was honestly mistaken, for we do not think him capable of willful misrepresentation. If he repeats his extensent after reading what we have here said, we shall of course be obliged to change our opinion. This will be enclosed by us to bis address.

For two of woman for improper intimacy with he hashed.

The public look to our paper for advertisements for all present condition of the fruit crop, I send you still another builting journal. The full repeat of the action of the fruit crop, I send you still another builting journal. The full repeat of the fruit crop, I send you still another builting journal. The full repeat of the full course belonged to change our opinion. This will be enclosed by us to bis address. The Mayor of Weet Liberty, Ohio, has run away. Ha is the second or third Mayor that has run away within three or four weeks. Runnway Mayors are getting as common as runaway mares.

tainly never did, either in childhood, beyhood, or early manhood, speak one half so strongly upon the subject as Frank Pierce did when he was a Senator in Cangress, or as James Bachanan did at the age of sixty-odd, or as the present Democratic candidate for Governor of Virginia did ten years ago. Inasanch as Mr. Magoffia has found no difficulty in supporting men for the Presidency, who, in the full-nees of years and political staisments and experiences, spake far more strongly against alwayry extension than we aver did, even in our callow days, was presume he will have no difficulty at all in supporting us for the Presidency, exact year of the whole subsequent period unless he shall have some other of the Damocrat, gave a graceful "milestatory" in that paper of yeaterday as associate editors. We coedially welcome him to the editorial frateshity. His genius, his education, and

Oh, for some lofty mission thou wast sent, on, or some tony mission thou wast sent,
learning the super of a power divine;
And though our dimmed and clouded element
Must chill and damp and darken hearts like thine
Yet if thy nature—which—true to its hirth—
Would drink but from the clear founts of the skie
Grow sick at water that have touched the earth. TEXAS .- Under the heading "Mysterio

TEXAS.—Under the heading "Mysterious," the captured to New York Tribune's Washington correspondent says: "Mr. Groesbeck's friends regard the suggestion of the Patent Office for him as an indignity. During the Lecompton struggle, the President frequently invited him to the White Hunse, and finally conquered his prejudices. It was then understood that, if a vacancy occurred in the Suppreme Coart, he would be appointed."

Not the slightest faith is to be reposed in President Buchanan's word. Pierce was habituarly spoken of a ven by his own political friends as the greatest liar in Washington city, and Buchanan hus taken Pierce place he more respects than one. Within the last fawdsys a very prosainant Democrat, whose same we shall not mention without his anthority, told us that the President saked heavy sacrifices at his hands and made him direct promisee of a specified office therefor and deliberately forfeited his word without apology or explanation. The gentleman, without apology or explanation. The gentleman, without apology or explanation. The gentleman, and Avali sugar plantatione, and the Casual and made him direct promisee of a specified office therefor and deliberately forfeited his word without spokey or explanation. The gentleman, and Avali sugar plantatione, including the Democrative and the Leave of the Buchanan and and the Buchanan and the Buchanan and the Buchanan and the specified office therefor and deliberately forfeited his word without spokey or explanation. The gentleman and and comment of the State of Texas — Under the heading "Mysterious," the Galveston Civrii in of tha 11th has the following:

The records from Galveston. We are transfered to New Orleans from Galveston. We are the Sudgestion. The Indication of tha 11th has the following:

The records from table illustration in the Sustance and without ship the lact by some accusing the business of the District Court of Sin Augustication of the Windward by an early boat.

The record soft he District Court of Sin Augustication with an expecting

without applogy or explanation. The gentleman, known extensively as a emporter of the Buchanan wing of the Democracy, applied terms to Mr. Buchanan which, however just, we shall hardly report in our columns.

During a late brief tour through portions of Illinois, Wisconsin, lows, and Irduza, several Democratic editors spoke to us very harshly indeed in relation to the President. And yet we believe that none of those editors have had the nerve to publish their opinions of Mr. Buchanan and his Administation which have reposed their opinions of Mr. Buchanan and his Administation which he resident and his measures, or they are allent. While score for the Administration is in their bearts, dumbness or eulogy is apontheir lips. And so with the mannes of the Bemocracy everywhere. However badly they may think of the present high functionaries of the government, they publicly entered the President and his measures, or they are allent. The death of Ilallam, the historian, left a vecancy dumbness or eulogy is apontheir lips. And so with the mannes of the Bemocracy everywhere. However badly they may think of the present high functionaries of the government, they publicly entered to come within the teach of the laws of his country and no for to come within the teach of the laws of his country and no for to the Savanaugh, of New York. He will doubtless know better than to the President, and the will doubtless know better than to the President. And yet we believe was implicated in the forgery objects that the field with another entire that the field with a second the present high functionaries of the Bernstein and the case of the Bernstein and Clementina ceffee plantatione, including standing cane, the sugar houses, machinery, and and Clementina ceffee plantatione, including standing cane, the sugar houses, machinery, and including standing cane, the sugar houses, machinery, and and Clementina ceffee plantatione, including standing cane, the sugar houses, machinery, and and cast life and cast limited or destroyed; and to come

FOCRTH DISTRICT - SEVENTH AND EAGH

We understand that some little inhapprehension ports that the steamer Resolute, bound down the exists in certain quarters of this Congressional Arkansa river for Cincinnati, was snagged near District respecting the time at which the District Convention is called. We trust that nur friends everywhere will make

The Ittam -This noble ateamer, which some weeks agn broke a cylinder, is now fully repaired and will leave for New Orleans this evening posi-tively. The Diana combines all the comforts, all the 23d inst, at Lagrange, Oldham County, and we he elegancies, all the luxuries that the most fastid-It spiting auspices. We owe it to him, to outeel ward at 5 o'clock, as the 14mma will positive

large and spirited Convention on Saturday is clearly

Tishomingo for flenderson. Mr. Woolls, the alter-tive clerk of the latter, has our thanks for the man-

ity to represent the city in the District Convention, which will meet at Lagrange on Salueday next for

Editorial Correspondence of the Louisville Journal.) There is a Leantiful country back of Louisville which has beretofore been little known to our ci-zens, but it is to be bosed that the facilities afford ly railroad travel will som make the charming town the busy hum of the large commercial metrop are extremely gratifying. It is the center of a web of tampikes stretching to the Green river section and to the eastern and southeastern parts of the State, while it possesses a very active trade and fair amount of travel, which its citizens are making earn that the people of Lincoln county are making an effort to build a road from Stanford to connect with the Lebanon and Danville ro.d at l'arksville,

infatnated. A criminal intercourse between the citizene of Lincoln and Boyle, and there remain only already such as the completed to bring it to had been carried on for some time, but growing a sheat six more miles to be completed to bring it to Parksville, thus connecting Lebanco with that potton of the State and giving it control of the travel of that section of country, which now in a great measure finds its way through Nicholasville to Lebanco and Louisville, but finds its way to another State. This can easily be remediated if the citizens will come forward and aid the chiracon them. friends of this road in their efforts to connect them- of horiors. and Ohio and Mississippi road, Capt. Putnam, mill agent, and Mr. Faller, of the Jettersonville road, ction be turned on to the Labanon and Danville road, it will add largely to its revenues and ulti-mately benefit Lausville, which should be made have our thanks for late papers. The passengers who left St. Louis yesterday morning reached the city by the Jeffersonville road before 9 o'clock last d quite a number of persons like myself attracted towards Lebanon to witness the first enster in the political tournament, between Joshua Bell and Beriah Magodia. The gars on the from the Postoffi 'e.

As we proceeded, I saw many gratifying evidences few years. The town is quite lively with etranger II.a. William C Anderson, Ilun. Joshua II. Jewet John M. Harlan, brother Green, of the Common bern. As the speaking does not commence until 1 o'clock, and the cars leave before 2 o'clock, it is ang mule part, is the afterpiece. m my weeks traverse the State and address the pe en of character, talent, and experience; they have and supported by all the moral power of his politi- of our citizens, on the eve of the introduction of water to our etreets and dwellings. Much of the comfort to be experienced from the completion of atteration; and if we succeed in electing Joshus F. Bell, it will send a thrill of joy throughout the whole a half for a full head, the latter being used only in

sejeville next Tuesday night at the Masonic Te

in Opera. Everybody will be there. lities or of her want of them, her immunes and The lovers of bigh and vital art in our city have ost ravishing treat in reserve for them.
We shall be able to announce further particular the course of a day or two.

zine atreet. This is an extremely pleasant and quiet part of the city, and mostly devoted to family residences. The sidewalks are good and the public gas-lights reach the premises. and lot on Walnut street, between Twelfth and h r'zontal boiler (which is guaranteed to bear a Thirteenth, yesterday afternoon, attracted as large a crowd as we have ever seen at a real estate sale strain of 125 tons) for holding it up, suddenly parted, and precipitated the boiler down a descent parted, and precipitated the botter down a descent of nine feet, branking the bottom sheets tadly, and rendering an overhauling at the foundery absolute is necessary. This mishap will prevent the new at \$17,000, one-half cash, balance in 12 months rendering an overhauling at the foundery absolute ly neorestary. This mishap will prevent the new Hag-ship of the African squadron from being ready requested to sell a frame cottage and lot, 30 feet from the land to sel with interest and lien. After this sals Mr. S. was boilers weighs fifty toms. The Martin's patest was and Fo nritenth; the company wint to the ground and in double quick time the cottage and lot was sold for \$297, one-third cash—I and 7 years for the sold for \$297, one-third f sold for \$887, one-third cash -1 and 2 years for the balance, with interest. The interest manifested at is that the U.S. steam-frigate Wabash was still at eghorn on the 15th ult., bending sail and prepar-ag to leave for Naples in about ten days. The ship these cales argues well for the increasing prosperi ly of the city. as thronged with visitors from sunrise to sunset. Private letters from 11on, James B. Bowlin

sian, were enjoying good health. Sixty one ship-carpenters have been scratched rom the employees' list at the Brooklyn Yard, fifty mers are to follow, and a whole batch of black

Republic. He speaks in the highest terms of the courtesy of President Lopez and the other officials at the capital of Paraguay, as well as the manifes-tation of a friendly disposition on the part of the representatives of the other South American States. The Indianapolis Journal says The Southerner.—This splended mail packet, in command of Capt. Triplett, will leave at her usual hour this evening. Mr. Archer is the chief clerk and Messra. McMichael and Prather his assistants, to whom we are indebted for the usual favors. The Southerner and her officers enjoy a popularity second to none on the river, and they richly marit it. Remember that the II. Bridges is the regular packet for Bawling Green this evening and the factor of the state o

diama by discrediting it.

It orrespondence of New York Times 1
Mexico, Weilnesday, March 30, 1859.

The plottings in this city have led to the imprisonment of over 500 persons, amongst them Georgian Parra and Callejo, two of the most able men of the flowerment party. Several mechanics have been thrown into prison, and a number of barbers have also disable sums of the Givernment. The shared the disable sums of the Givernment.

ford Landing his evening.

We are indebted to Mr. A. H. Edwards, clerk of We are indebted to Mr. A. H. Edwards, clerk of the steamer Bracelet, for a copy of the manifest. The B. brought 97 bhds tobacco to this port and discharged 53 bhds and other freight at Evansville-The splendid steamer Baltic will arrive from New the steamer Bracelet, for a copy of the manifest. The B. brought 97 bhds tobacco to this port and ans thie morning and Is advertised to leave this The Fanny Bullitt was at Paducab vesterday Should the river continue rising much longer, there will not be a dry spot left at the Wharf Boat Landing for the deposit of freight.

Nearly half the square in froat of the landing is already under water, and there remains not more than fifty yards of dry ground, about ten feet in width, fit to place freight upon.

The slarm of fee last make your last the work of the landing is already under water, and there remains not more than fifty yards of dry ground, about ten feet in width, fit to place freight upon.

The alarm of fire last night proceeded from the lawles and an extent have prejudices good, that the Corservative party look upon Mejia as a great man with the Lebmon and Danville ro.d at l'arksville, which when completed will shorten the distance from the counties of Lincoln, Casey, Pulaski, and in fact all the mountain counties to this point. At present a large portion of this rich and fertile part of the State is cut off from this section is come to the condition of the roads. Some ten miles of this road have already been made by the citizen of this road have already been made by the citizen of this road have already been made by the citizen of this road have already been made by the citizen of this road have already been made by the citizen of this road have already been made by the citizen of this road have already been made by the citizen of this road have already been made by the citizen of this road have already been made by the citizen of this road have already been made by the citizen of the roads.

The French and English Ministers are behaving in the most outragesus manter. They have both ceased to perform their proper duties, and have become the ultra partisans of the clergy. Mr. Otway is known throughout the city as "Mr. Toot"—a slight and significant allusion to the way he is ordered about by the French Minister, the padres, and bis wife. We are all hoping that he will soon leave or he ordered away, and that Mr. Matthew will be charged with the affairs of the English Legation. He at least is an Englishman, and a person not likely to sacrifice the interests of his legation to any clique or party in the country.

The government have seized the American mail somewhere on the road, and the last news from New Orleans we have is to the 1st inst., now a month. Co The Adams Express over the Lexization road New Albany Rathmoad.—A new running sched-ule takes place on this road to-day. Trains will
